January President's Report

Our club recently donated over 300 pounds of dog food and treats to the Emergency Food Pantry. The Emergency Food Pantry was very grateful for our donations. Thanks to all our members for making big difference in the lives of many people and their pets.

New classes are starting this week and we are looking forward to having full classes again this semester. A big thanks to Lavonne Marubbio for her tireless efforts as Training Director. Also thanks to several other club members who regularly volunteer to provide backup for classes when the regular instructors can't make it in.

The AKC has reviewed our recent bylaws changes and requested that we make 2 minor alterations so please review the email that went out in December and be sure to attend the January club meeting to vote on the changes. It is extremely important that a majority of the membership participate in this process so that we can continue our Trial plans.

Brian Vail, President
