Training Director's Report September 1, 2009

In all my years as a student, and then as a teacher, I have always felt great excitement when September rolls around. It brings the chance for new beginnings, new classes and new friends. I feel the same sense of anticipation each time we begin a new session of classes at Red River North. Not only do we meet our old friends and their dogs, but we have the opportunity to reach out to new dog owners and share with them our enthusiasm for working with our canine companions.

We have a good schedule of classes set up for Session V which begins on September 14th. Our instructors are committed to providing you with the best classes possible for your dogs. If it has been awhile since you have taken a class, or if you have acquired a new dog, please consider joining us for a class this Fall. The schedule is included in this issue of the Paw Prints. Remember—our members receive a \$5 discount on class fees!!!

If you are interested in helping out with the training classes, please contact me or Denise Luther. We are always looking for instructors and apprentices to join our training team.

Mark your calendars for the Canine Good Citizen test on September 20th. September is the AKC Responsible Dog Ownership month, and we are commemorating it by holding the CGC test for our members, students, and the entire community. Bring your dog and give it a try.

The Training Center is looking fantastic with bright new colors and new equipment. Special thanks must go to the crew who provided ideas and muscle to make this possible. We will be working to finish up this project over the next weeks.

I want to take this opportunity to thank Denise Luther and all our instructors for covering for me while I was indisposed this spring and summer. You have all been fantastic!! Thank you!

Have a safe and happy Labor Day!!

Lavonne Marubbio
