2013 is off to a busy start at Red River North Dog Obedience Club.

New 8-week classes have been in session since January 7th and the next training session will be starting on March 4. The enrollment numbers are been very good for this session.

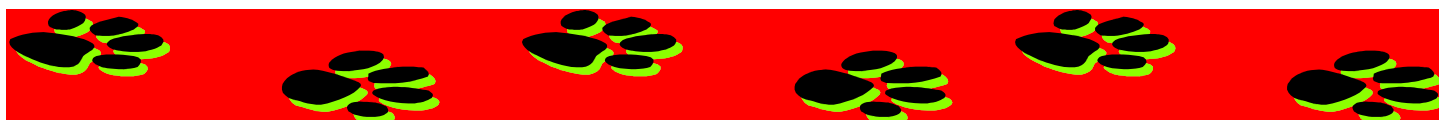

Many of our members are now busy training for upcoming Agility and Obedience/Rally trials as there are a number for local Trials starting this spring and summer.

Red River Dog Obedience Club is extremely pleased that Mary Higdem is presenting a workshop on “How to Recognize and Deal with Dog Behavioral Problems” on Saturday, February 16 from 12:30-2:30. This will be very informational so hope to have a great turnout.

With the snow and ice, we need to take cold weather precautions with our furry friends. For tips in the winter months, there are AKC handouts available at the Club.

Last but not least, there is a CGC Test scheduled for Sunday, March 10th at the Club with registration starting at 12:30 and test start time at 1:00.

Best Regards,
Vicki Vail, President

Mary Higdem is a highly respected and innovative dog trainer in the Fargo-Moorhead community. She has had many years of experience dealing with problem dogs in classes and in private sessions; and is eminently qualified to help us deal with dogs with aggressive behavior. She is a certified AKC Obedience and Rally judge, and currently serves as an AKC representative who oversees dog shows throughout the country. She is a founding member of Red River North Dog Obedience Club, and has conducted several workshops for us in the past.

We invite our members and teaching staff to join us for this important workshop.

“Doggie Dental Care”

Presented by Angie Schweitzer & Friends

Vet-Tech students at Globe University, Moorhead, MN

RRNDOC General Meeting, Monday February 18, 2013 at 8:00PM

Students from the Veterinary Technician program at Globe University (formerly Minnesota College of Business) will be giving a demonstration about Dental Hygiene for Dogs at our club meeting on Monday, February 18, 2013. The students are conducting service projects in the community to boost awareness of the importance of dental health for our dogs. They will show us the latest techniques for preventative care, as well as introducing toys and treats that are beneficial for the dogs. Plan to join us for this special presentation.
