President's Report, May 2016

I would like to thank our Training Directors and Instructors for the recent Trainer's meeting. It was well attended and we were able to setup a balanced schedule for the remaining sessions for this year. It's always a difficult task to allow for time off versus session length, but we worked as a team to arrive at the best combination.

I am also pleased to announce that our Landlord's family visited with us personally to assure us that they have no plans to sell our building, and if that time comes, they will work with us first.

We are also preparing for our September Obedience and Rally trials that are fast approaching. Volunteers will be needed especially as we are having a 3-day trial this year on Friday through Sunday. Sign-up sheets will be posted at the club at the next meeting. Thank you in advance!

Thanks very much,  
Brian Vail, President

# Training Directors' Reports, June 2016

This session saw large enrollment in Puppy & Jump Start classes. As we come to the final weeks of this session the numbers attending the classes have dwindled quickly. Puppy Star testing continues for those interested in being tested. Thanks to all those helping in these classes.

*Cyndy Raeshke*

\*\*\*\*\*

This session only a handful of students have consistently come to the Beginning Obedience classes. As we reach the end of the session, the numbers have dropped significantly from the original enrollment numbers.

The upper level Obedience classes have been working to prepare the dog/handler teams for upcoming events in the area.

In Sharon's Open class, the 4-5 students have been working to prepare for the Obedience trials this fall.

Roger's Novice class has been working to prepare the dog/handlers for the Beginner Novice and Novice classes at the trials. Each week there have been about 12 students.

There have also been about 12 students per week in the Advanced Beginner/CGC class. They are working to prepare for an upcoming CGC test on Sunday, August 21. They are also working on exercises in the Beginner Novice level.

Students in the Rally class have also been preparing for the trials in September.

*Hollie Halvorson*

\*\*\*\*\*

Beginners agility has room for new students so we will be able to move some up from the waiting list. With summer here, the upper classes are remaining at a steady enrollment, with occasional drop ins.

## **Instructors:** **New Registration Process**

RRNDOC has been implementing a new pre-registration and pre-pay process as of January 2016.

**Anyone** wanting to secure a spot in an upcoming class will need to fill out the pre-registration form and submit it with payment 2 weeks prior to the end of the current session.

After that time a class will take people on a first to register and pay basis to fill any open spots.

This has helped with checking people in on the first day of a new session, allowed instructors to see how full an upcoming class will be and will make it easier for all involved in the registration process.

**All instructors** will need to make sure that anyone in their current class that is repeating the class or moving up to a different class know to pre-register and pay 2 weeks prior to the end of the current session.

The lower level classes that give out a \$5.00 discount coupon will be doing so at the time that those in their class pre-register and pay as those coupons will be attached to a pre-registration form for everyone's convenience.

Thanks to all that have been working on the new process and the instructors for their cooperation and patience as it is implemented.

## CLASS REGISTRATION FORM

Pre-Registration & payment will need to be received 2 weeks prior to the end of the current session to reserve a spot in a class for any upcoming session
