# *President's Report, October 2016*

I would like to personally Thank ALL of you who volunteered your time and efforts for our annual Obedience and Rally Trials again this year. A 3 day trial is particularly demanding when we have to take 1-2 days off of work in the middle of the week, and that's really a lot to ask of people.

Everything ran very smoothly, and we received many compliments from the exhibitors as well as the judges.

I was also very pleased to see a strong turn-out for the CGCA and CGCU testing during the trial. Half of the exhibitors were from out of town and came from all over the Tri-State area. It is really exciting to see that Red River is offering these additional certifications, the demand is there, and we should continue to demonstrate leadership in this area!

An Outstanding Effort and a job Well Done!

Please note that the Herbergers' Community Days fundraiser is coming up starting on November 9<sup>th</sup>, sign-up sheets will be posted at the club. I especially encourage our newer members to volunteer for this as it is also an excellent opportunity to show off your dogs in public and its great experience for them as well! Please contact Kathy Lehman for further details.

Thanks very much,  
Brian Vail, President

# Training Directors' Reports, October 2016

Large class size continues in both Puppy classes and Jump Start.

Thursday Puppy class is already full for the upcoming session.

Jump Start will implement a new goal list for those taking the class. They will need to accomplish the listed goals by the 6<sup>th</sup> or 7<sup>th</sup> week to move up into Beginning Obedience.

Thanks to all of you that volunteer and help with classes.

Congratulations to those who received legs and titles at our Obedience and Rally Trials in September. We also conducted Community Canine (CGCA) and Urban Canine Good Citizen (CGCU) testing at the trials. We had 10 dogs pass each test (see page 7). Many dogs took both tests. Congratulations to those who passed.

As we come to the end of the session, classes are going well with Beginning Obedience having about 8 dog/handlers attending each class. There have been about 9 dogs in the Advanced Beginner class and 8 in Novice.

There are 4 students in the Open class and they are preparing for the FMKC Obedience & Rally Trials November 18<sup>th</sup>—20<sup>th</sup>.

The Rally class has had about 6 students this session.

The students in the Pet Partners Handler Course are preparing for their evaluations to become Pet Partner Teams.

We were able to move two people off the waiting list for beginners agility. There are still a couple waiting, but hopefully we will be able to move them soon. Enrollment for advanced and competitive remains steady. As people move up, we work to get those off the waiting list into beginners.
