President's Report, May 2018

Thank you for the confidence and I certainly hope to live up to it. Right now two big things need to be jumped on because they do bring folding green stuff our way, and we need it. One thing I believe a leadership roll should include is bringing young blood forward. If you look around a lot of silver hair is visible and some of us need canes, crutches, and walkers. Young people have sharp minds with new ideas and as long as we stay within AKC guide lines those ideas deserve their time. I have an idea in training which I want to bring up hoping to make things easier for the trainers. Trainers don't have an easy job.

To the people leaving the board after a long term or terms THANK YOU for the time you have given and the job you have done.

Dave Arnholt
