# President's Report, July 2018

Summer is here so be careful how you handle the sun and it's possible side effects. Keeps your dogs cool and not locked into a hot car. Include children in that warning.

If you start to feel strange get out of the sun and heat and cool off. For your dog, if you can get a cold towel and hold it on the inside of the thigh. Keep changing the towel if you can.

Kick your shoe and sock off and step on the pavement. If it's too hot for you on your bare foot why would you want your dog on it. If I was the dog I'd drop back two steps and leave you a reminder about the pleasures of hot pavement and bare feet.

Have fun with your dogs but be safe.

There is going to be a lot of work coming up with committees such as building, trial, training, and who knows what else, organizations are like that. If the committee chair is looking for help and you have the time and interest your help would certainly be appreciated.

# Training Director's Reports, July 2018

I hope that everyone enjoyed our break and had a great 4th of July!

We are starting Session 4 on Monday, July 9th. This will be a 7 week session.

This session, we are trying out a new class called Young Dog Skills. This class is for puppies who may not be quite ready for Jump Start or young dogs that may not be up to working in the Beginning Obedience class.

We are hoping this class will be a nice alternative to pups moving on to classes that they may not be quite ready for and they can get additional assistance getting ready to move on.

On Sunday, July 22nd we will be having a Summer Trick and Treat event. We will be conducting AKC Trick Dog testing (Novice, Intermediate, Advanced and Performer levels, \$10/test) and also will be grilling some burgers and brats. You can get a burger or brat, chips, drink and a cookie or bar for \$5.

If you would be interested in doing the grilling or making a dessert for us, please contact me.

Please remember to make sure that your pups always have access to fresh water during these hot, humid summer days.

Stay cool!
