President's Report, May 2019

We seem to be making some progress on the building which is good. Many thanks to the FMKC for the tremendous help with the upcoming trial.

We are going to have to look into some policies involving dogs on the floor. The consequences can be very serious. I do not want good dogs and good people to get hurt. As we get into late spring and on into summer people will be going on trips or taking the pooch with them.

Please consider the health of your dog. Don't burn their feet walking on hot concrete or asphalt, There are lymes disease vaccinations and lymes is in the area. Remember flea and tick prevention on you and your dog and keep plenty of water and food available in a shady area for them.

People, I have no idea how long summer and nice weather will be so grab it and enjoy it.

Dave Arnholt
President
