Please help your fellow competitors, the trial workers, and judge by checking in with the gate steward well ahead of your run, and being prompt at the line when your turn comes to run.

SAFETY/BEHAVIOR: The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. **All dogs must be on a leash at all times except when in the ring or in the designated warm-up area.**

LIABILITY: It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such cases, no refund of any fees paid will be made. CHANGES EFFECTIVE 1/3/2024

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

Dogs may be entered in any level (Novice, Open, Excellent, Master) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Course time for FEO in Time 2 Beat, JWW, Standard, Premier, and ICS will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

All exhibitors should obtain a copy of the Regulations for Agility Trials by contacting the American Kennel Club, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390, by phone (919) 233-9767, by email at info@akc.org, or on their website at www.akc.org.

AGILITY TRIAL BEST PRACTICES

Below is a list of best practices for the facility we utilize for agility trials to comply with AKC Guidelines. We are committed to providing a safe environment for our exhibitors, workers and judges!

Crating: Crating space indoors is limited and in designated areas only. No ex-pens are allowed. There are limited public crates available, designated with a yellow "Public Use Crate" tag. Crates may be left over night; however, neither FM Kennel Club nor Red River North Dog Obedience Club will be responsible for any lost or damaged items left at the show site.

Building Access: The main entrance is on the North side of the building. There is one door designated for both entrance and exit. Please be aware of handlers/dogs entering and exiting the building, and keep your dog on a short leash.

Food: No food available onsite for purchase. There are several restaurants within 3 miles of the show site. There will be a potluck lunch offered on Saturday if you care to bring a dish to share. There will be a light lunch provided for volunteers on Friday and Sunday.

Check-In: Agility Gate will be used for these trials.

Posting Results: Results will be posted on site.

Course Maps: Maps will be posted on site and emailed to exhibitors once available from the judge.

Walk-Throughs: Classes with large numbers of entrants will have a split walk-through, announced at the class briefing. Classes with small numbers of entrants will have a single walkthrough, announced at the class briefing.

Leashes: There are two options: Option 1: Leash runner may use a "grabber" to move the leash to the exit gate. Option 2: Exhibitor may place the leash in their pocket, around their neck, or around their waist. NOTE: If the dog grabs the leash while running, it will be scored as an Elimination.

Briefing: General briefing will be provided each day. Delivery will be determined by the judge.

Ribbons & Awards: Ribbons will be self-service. Ribbons and labels will be provided for all exhibitors.

Communications: The facility has monitors in many areas of the building for exhibitors to be aware of what is happening. After the trial closes, more details will be shared regarding trial communications.

Instructions

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
